SHANG-HAI TECHNICIANS TO GO TO NORTHEAST

380 REGISTER -- Hsin-wen Jih-pao, 18 Aug 49

By 17 August 1949, over 380 mining, engineering, and chemical technicians in Shang-hai had registered for transfer to the Northeast. Approximately 10 percent of those registered have studied abroad and 80 percent are college graduates.

The first list of 50 individuals is being studied. One week after approval they may proceed to their destinations.

At the time the register was closed, over 200 teachers and technicians had registered to go to such points in North China as Shantung, Chang-chia'k'ou, and Pei-p'ing.

LIST REASONS FOR MOVING FACTORIES TO NORTH -- Ta Kung Pao, 14 Aug 49

T'ien-ching industrialists have listed the following reasons for the removal of Shang-hai factories to the north.

1. T'ien-ching is close to the sources of raw materials.
2. Transportation in T'ien-ching is excellent for industries.
3. T'ien-ching will be a very good outlet for finished products.

TECHNICIANS, CAPITAL NEEDED FOR SHANTUNG INDUSTRIES -- Shang-hai Hsin-wen
Jih-pao, 13 Aug 49

The Shantung Industrial and Mining Survey group of Shang-hai, led by Lang Chung-lai (Ueda: 12168, 12563, 13783), reported that the natural resources and the potentialities for industrial development in Shantung are great. Shantung needs a great many technical personnel and capital to aid in her industrial expansion. The province is rich in natural resources. Cotton grown in the province solves the problem of the cotton industry. For the mining industry there is iron ore, coal, and gold.

NEED FARM EQUIPMENT IN NORTH KIANGSU -- Wen-hui Pao, 14 Aug 49

A group of Shang-hai technicians who were sent to aid and survey the rural areas in northern Kiangsu revealed that: (1) the need of farm equipment in northern Kiangsu is great, (2) the type of equipment used varies greatly, and (3) windmills must be improved.

Shang-hai industrialists should be awakened to the fact that there is a new field for them in this area.

The North Kiangsu Administration Office gave much assistance to these technicians in making the survey.
